

Scheduled Travel Restrictions

November 8 - 14

(Please note that schedules listed are subject to change due to inclement weather)

MOTORISTS TRAVELING BETWEEN COLFAX AND THE NEVADA STATE LINE SHOULD BE PREPARED FOR DELAYS OF 5 - 10 MINUTES.

Interstate 80 (Placer County) from Colfax to Secret Town: Work is set to begin on the \$70 million Gold Run III construction project to repair Interstate 80. Work involves overlaying the mainline with asphalt concrete, replacing the median barrier, upgrading the drainage system and improvements to the bridges throughout the project boundaries. **THIS PROJECT IS COMPLETE.**

Interstate 80 (Placer County) from Rainbow to Kingvale: Work continues on the \$24.5 million Rainbow construction project to improve Interstate 80. Work includes repaving the existing roadway with Portland Cement Concrete, rehabilitating existing drainage systems, improving the lighting system at the chain-on/off areas, resurface bridge decks with polyester concrete, and replacing bridge concrete barriers. **THIS PROJECT IS COMPLETE.**

Interstate 80 (Nevada County) from Soda Springs to Donner Summit: Work continues on the Donner II Project, a \$65 million major construction project to improve Interstate 80. Work includes repaving the existing roadway with Portland Cement Concrete, reconstructing failed sections of roadway, replacing metal beam guardrail, rehabilitating existing drainage systems, and install an improved storm water collection system. **THIS PROJECT IS COMPLETE.**

Interstate 80 (Nevada County) from Donner Summit to Donner Lake: Work continues on the \$71 million Donner III construction project to improve Interstate 80. Work includes repaving the existing roadway with Portland Cement Concrete, reconstructing failed sections of roadway, adding new drainage systems, upgrading existing drainage systems and construction of a new sediment/debris collection system. Completion is expected in 2011.

November 8 - 13

On Interstate 80 from Donner Park to Castle Peak: Motorists can expect the eastbound #1 lane and various ramps closed from **5 a.m. to 5 p.m. Sunday through Friday**. A contractor is scheduled for drainage work.

Interstate 80 (Nevada County) from Donner Lake to Donner Pass Road in Truckee: Work continues on the \$70 million Donner I construction project to improve Interstate 80. Work includes repaving the existing roadway with Portland Cement Concrete, reconstructing failed sections of roadway, adding new drainage systems, upgrading existing drainage systems, construction of a westbound truck-climbing lane from Donner Pass Road to the Donner Lake Interchange and construction of a new sediment/debris collection system. Completion is expected in 2010. **Project is on winter suspension.**

Interstate 80 (Nevada County) from Boca to the Nevada State line: Work continues on the \$73 million Truckee River Canyon construction project to improve Interstate 80. Work includes repaving the existing roadway with Portland Cement Concrete, reconstructing failed sections of roadway, adding new drainage systems, upgrading existing drainage systems, construction of a westbound truck-climbing lane from Donner Pass Road to the Donner Lake Interchange and construction of a new sediment/debris collection system. Completion is expected in 2010. **Winter suspension is scheduled to begin on November 15.**

November 9 - 13

On Interstate 80 from Boca to Floriston: Motorists can expect various east and westbound lane closures from **6 a.m. to 6 p.m. Monday through Friday**. A contractor is scheduled to do paving work.
